

# USING VHF & VHF/DSC MARINE RADIO

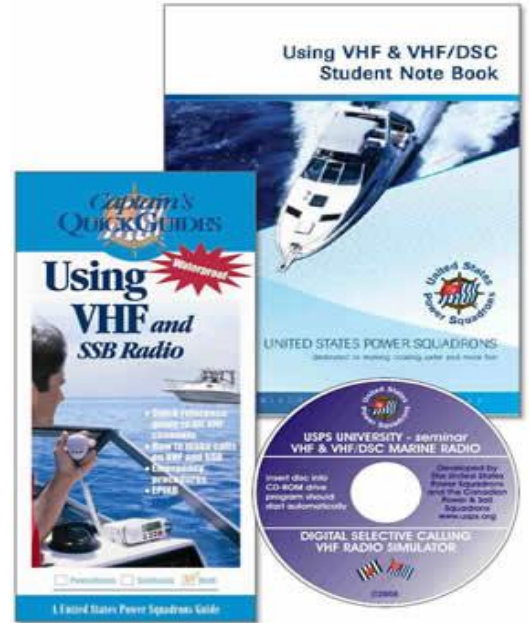

**A Unit of The United States Power Squadron  
Provided by the Pamlico Sail & Power Squadron**

**Date: Saturday, September 23, 2017**

**Time: 10:00 AM – 12:00 Noon**

**Where: Park Boat & Powersports  
1589 W. 5<sup>th</sup> Street  
Washington, NC**

**Cost: \$15 for member & non-members  
(no additional cost for couples sharing  
materials)**

VHF radio is the mainstay of coastal communication and essential for emergency communications. DSC vastly simplifies and improves rescue and routine call signaling, making it easier to make a call while the system frees up Channel 16 for essential communications. You will learn:

- How VHF's work & their controls
- Using the correct channels
- Correct procedures & terminology
- Advanced methods of communication
- How Digital Selective Calling (DSC) equipped radios works and controls that simplifies and improves rescue
- Practice DSC calls using the included DSC simulator on CD

To Register: Contact our PSPS Educational Officer, Linda Erickson, by email [pspsed@gmail.com](mailto:pspsed@gmail.com) or call her at 252-964-3009

If you prefer, you can register and pay in one click using PayPal. Copy the link below into your internet address line and follow the prompts.
