This is one of the most important seminars a recreational boater could attend. It provides an explanation with examples of the 37 Rules of the Road for both the U.S. Inland Rules and the International Rules (COLREGS). It simplifies the sometimes complex law relating to boat operation for the recreational boater regardless of vessel and when meeting another vessel on the water.

You will learn the why and how of:

- Avoiding Collisions
- Sailing Vessels
- Fishing Vessels
- Restricted Visibility
- Vessel Responsibilities
- Lights & Shapes on Vessels
- Distress Signals
- Sound Signals
- Meeting Head On
- Crossing
- Overtaking
- And Much More

The seminar is being taught by Captain Ed Galston, a noted expert in maritime law and holder of an Unlimited Master Oceans License.
