## ***Summer 2019 Boating Education Opportunities***

We are fortunate to have an active Education Team within our Squadron that's mission is to provide courses and seminars that builds on the skill set of boaters. This is a key component to safe and fun boating experiences. Our instructors have been there, done that and that real-world experience is invaluable.

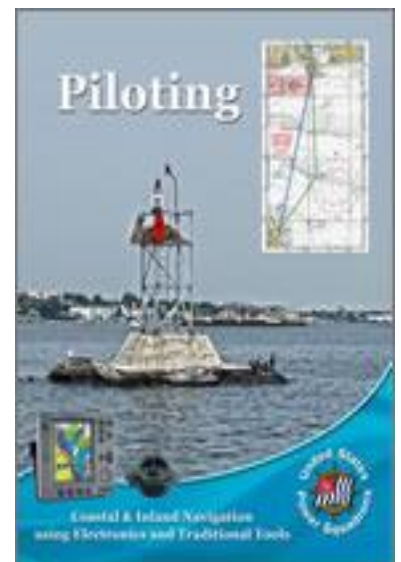

Linda Erickson, Skip Vail and the Education Team will provide the following opportunities in July for both the Squadron and our local recreational boaters. For more details on each course and seminar offering, see the PSPS Website or use the link in each section. Feel free to share this information with other boaters.
