The most comprehensive in-person boating course available, America's Boating Course gives you the skills you need to enjoy your time on the water and boat with confidence. Taking a boating class reduces your risk of accidents and injuries, saves you money on boat insurance, and qualifies you for a state boat operator certificate. Gain practical knowledge of rules of the road, handling emergencies and mechanical problems on the water, the basics of towing and trailering, important information for hunters, anglers and water sports enthusiasts, and so much more.

Course Topics Include:

- Introduction & Boating Terms
- Safety equipment, both required and recommended
- Boating Law & Regulations, both local & national
- Knots & Lines
- Rules of the Road
- Aids to Navigation
- Marine Radio
- Trailering & Storing

In North Carolina all persons born on or after January 1, 1988 are required to take a NASBLA approved training course to operate any watercraft with a 10 HP or greater. Completion of this course meets that requirement.

Also, many boat insurance companies offer discounts on boating insurance to boaters who successfully complete this *America's Boating Course*.
