Learn how to handle your boat in a variety of situations and become the skipper you want to be. Gain confidence in docking, underway, anchoring, and other seamanship skills. Our instructors will enrich the course with local knowledge, experience and discussion that will help you expand your boating horizons.

Boat Handling Course covers the following topics:

- Rules of the Road: A Practical Approach
- Confidence in Docking and Undocking: Slow-Speed Maneuvering
- Boating with Confidence: Handling Your Boat Under Way
- Anchoring with Assurance: Don't Get Carried Away
- Emergencies on Board: Preparation for Handling Common Problems
- Knots and Line Handling: The Knots You Need to Know

Many boat insurance companies offer discounts on boating insurance to boaters who have successfully completed this course and earn a Seaman grade confirming your skills.
