

WEAR IT

A program of the National Safe Boating Council

National Safe Boating Week - May 22-28, 2021

The United States Coast Guard Aux is sponsoring a Public Affairs Event on Friday, May 21st to kick off National Safe Boating Week. Attended by local and state officials, USCG Aux Flotilla 20-06, Pamlico Sail & Power Squadron, USCG Station Hobucken bringing their 45” Vessel, NC Wild Life, as well as, all forms of media, proclamations and televised coverage.

The purpose and goal is to create a Public Affairs Event to reach the public and recreational boaters with the message:

“Wear Life Jackets they save Lives!!

Also Promoting: Courtesy VSC Inspections, and Boating Education & Safety

Date: Friday, May 21, 2021

Time: 11:00

**Location: Washington Waterfront –
Gazebo near Pier G**

Note: Event presenters will be in the Gazebo, which is a secure area.

There are more boaters on the water now than ever before! Come to the Waterfront to help support this effort and our mission Pamlico Sail & Power Squadron mission along with other organizations.
