**It's a Fall Cruise to Dowry Creek Marina
Date Change to: November 28th and 29th**

It's the perfect fuel run, but let's hope for a couple of days of Carolina blue skies. Consider joining the group and enjoying an overnight at what has become a favorite destination. Mike has confirmed the Marina is open for those dates.

Dowry Creek Marina offers low priced fuel, in-slip pumpout, propane grills, clean individual shower/bathroom facilities, a pool gathering area, laundry and the most comfortable Captain's Lounge on the ICW.
