**It's a Fall Cruise to Dowry Creek Marina
November 14th – 16th**

Website: <https://www.dowrycreekmarina.com>

It's the perfect winter fuel run and the last cruise of the season. Let's hope for a couple of days of Carolina blue skies. A few boats interested, consider joining the group and enjoy a couple nights at a favorite destination. Mike has confirmed the Marina is open for those dates.

Dowry Creek Marina offers low priced fuel, in-slip pumpout, propane grills, a pool gathering area, their new restaurant, The Salty Crab, and the most comfortable Captain's Lounge on the ICW.

ABC-Pamlico has scheduled a Fall Social Luncheon November 15th at 12:00 noon and we hope the captains and crew will join in. **Advanced RSVP's are needed by 11/10.** Contact Lorne at social@pspsnc.com or feel free to call him with questions at 252-623-1292.
