Join us for Inner Banks Marina's GRAND OPENING Saturday, April 30th from 11am-5pm! Enjoy live music from Lipbone Redding and Cuz'n Kirk, demo MasterCraft Boats, tour the marina, visit the store and enjoy free food/drinks!

We will also have boat rentals and America's Boating Club of the Pamlico will be available to offer education opportunities and very important information on Free Vessel Safety Inspections.

ABC-Pamlico Members, this is a great opportunity to meet with local recreational boaters and provided information on boating courses, skill building, importance of Vessel Safety Inspections and assisting all boaters to become a more confident and safe boater.

We need a several volunteers - We would like to set up 2 or 3 volunteers for just a 2 hour block of time to man the ABC-Pamlico information table from noon to 5PM. Can you help? In addition to meeting our objective, it should be a good time to catch up with friends and neighbors among those interested boaters in their dry stack capabilities. And, stick around to enjoy the music!

If you are available and can volunteer, please contact Chris Young at communications@pspsnc.com or call 252-402-6692 with hours you would be available. Volunteer's Be sure to bring chairs, we will be outside but under a tent cover. Thank you in advance for your support on this event!
