

# Introduction to Navigation Seminar

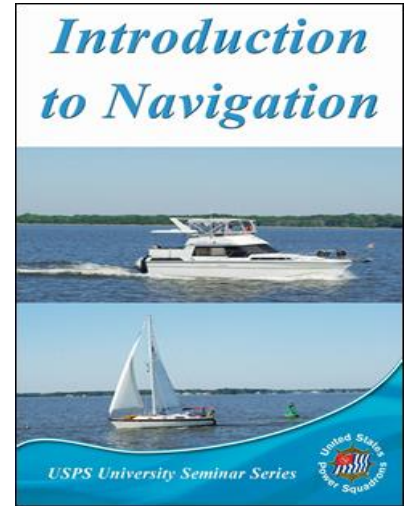

## Pamlico Sail & Power Squadron

**Date:** Saturday, March 14, 2020

**Time:** 1:00 PM – 3:00 PM

**Where:** 1<sup>st</sup> Presbyterian Church  
211 W. 2<sup>nd</sup> Street, Washington, NC

**Cost:** \$25 Member individual/couples and  
\$35 Non-Members individual/couples  
(includes handouts; couples share materials)

Today, electronics have radically changed navigation, but understanding the basics helps you gain confidence in your equipment and your own skills. You'll learn practical techniques to plan, navigate, and check your progress on the water. You will develop situational awareness skills using your eyes and navigation tools to quickly point to your position on a chart, and be able to use backup techniques when the electronics become suspect. This seminar will help both captain and crew to navigate safely and comfortably.

- ✓ An overview of electronic navigation
- ✓ GPS- what it tells us
- ✓ Waypoint navigation fundamentals
- ✓ Charts - what you need to know
- ✓ Navigation aids
- ✓ Water depth and tides
- ✓ Course corrections
- ✓ Situation awareness
- ✓ Solving for course, speed and distance
- ✓ 24-hour clock

**This is a public seminar and USPS/PSPS membership is not required.**
