

Pamlico Sail & Power Squadron Washington Marine Market

Time to recycle that old Boat Gear, Parts and Accessories!

Spring is here and that means it's time for the annual Washington Marine Market on Saturday, April 27th. The Squadron has had great success over the years in collecting donated goods and selling them at the Market. Funds go directly to the Squadron to support our ongoing education programs, civic and activities. This event also supports the Washington Harbor District Alliance and marks the season kick-off of activities along the Washington waterfront.

What we need.....

All your old or new boat gear that you no longer use. Anything marine related or things that may be of interest to other boaters. Life jackets, cushions, fishing gear, charts, lines, anchors, books etc are all appropriate. Cruise through those lockers and garages and other storage areas while doing your spring cleaning and box that stuff up for the Market. And don't forget the galley items, chairs and pictures that are all excellent items for sale. If you've attended in the past you know most anything goes. Who knows what recycled treasures we'll find!

Who we need.....

Volunteers! Members needed to set up our tables and display the items donated, man the booth, being at 0700 on the 27th. We'll set up 2 hour blocks of time until 1300 Saturday afternoon. Last year we had lots of help and it was quite the social event...great opportunity to catch up with friends. Call me to get your name on the list. We'll have a good time, earn some money for the squadron and talk with local boaters regarding boating education.

Where we need it.....

We can also arrange to pick up items anywhere in the immediate area. Simply call one of the following or email executiveofficer@pspsnc.com.

Walt Morrissey - 252-623-1714

Steve Schwing - 252-327-7737

You may also bring items to donate to the Market early Saturday morning. More information is available here at the WHDA site: <http://whda.org/marinemarket>

Please call or email me with questions, volunteer sign ups or donation pick-ups. Thank you in advance for your support!
