Speaker: Alvin Powell Founder and President of the
Inner Banks STEM Center

Topic: Learn how they create a science enrichment program that will expose at-risk youth to Science, Technology, Engineering and Math (STEM). Their hands-on approach compliments the NC school core subjects helping to develop good life-skills and decision making, as well as, improving the relationship between youth, the community, and first responders through a variety of community events.

Checks payable to PSPS,
indicate your entrée
choice and drop off or
