Speak Speaker: M. Scott Baker, Fisheries Specialist

Topic: We can expect an informative broad brush of information concerning Fisheries here in North Carolina. Many species of fish such as the Rockfish, Red Snapper and even the venerable Flounder have been over fished in the Carolinas and some are in dire circumstances as a result. Scott can be counted on to give us a more extensive understanding of the existing situation as well as insight into other eye opening subjects bearing fins and gills!

Checks payable to PSPS,
indicate your entrée
choice and drop off in
newspaper box or send to:
Terry Blatchley
209 Appomattox Lane
Chocowinity, NC 27817

Please RSVP w/check or via PayPal by 10/12
