

Come on, Let's Party!

Hosted by our Past Commanders
Sunday, October 16th
1:00 PM to 5:00 PM

Our Past Commander's Annual Event will be a Celebration Party this year. They've arranged an ideal indoor/outdoor location at the new Inner Banks Dry Stack Marina/High Water Social and includes a **"Good ole Southern Shrimp Boil"**! Lots of games to challenge each other while the cooks are busy and a full bar for libation.

Come by Car or by Boat

Inner Banks Dry Stack has 10 finger piers & they welcome us to tie up for our Party.

We will need your RSVP for a slip. The staff will be available for docking direction & assistance. The Channel is marked and, depending on tide, the depth is 2' to 4'.

They also have a few rentals should anyone wish to get out on the water.

The Celebration Party

The Master, Gene Allgood, will direct the cooking of the "Shrimp Boil" outside in propane cooking containers.

- All food will be provided (includes shrimp, sausage, onions, corn, potatoes served with sauce & lemons)
- Bread will be available for soppin up the broth.
- Cookies for dessert.
- The Bar includes beer (8 on tap), wine, spirits, bottles of water, soda and all other beverages. Based on their license, we cannot bring beverages to the party. Credit cards and/or cash is accepted.

There are numerous games available and optional seating to enjoy our meal at two levels inside or outside on the deck. Hopefully it will be nice weather so you may want to bring chairs for sitting outside.

In order to ensure enough food, please **RSVP** to Chris Young **no later than 10/9** at communications@pspsnc.com or call 252-402-6692 with the number attending. If you wish to arrive by boat, please include your boat name, length & beam for slip assignment.
