Pamlico Sail & Power Squadron

Students at Northeast Elementary School in Pinetown, NC participated in the 2017 United States Power Squadron Youth Poster Contest organized by the local Pamlico Sail & Power Squadron. The purpose of the contest is to get the children thinking about boating safety when enjoying all boating activities. Those activities could be power boating, sail, paddling, personal watercraft, etc. They were asked to design a poster that would illustrate the following theme.

“All Boaters are Welcome to the Neighborhood!”

Winning student posters advance to a District Contest held in Raleigh later this month and winners there have an opportunity to go on to a judging at a National level in February.
