on the water!**

Know how to use your VHF marine radio. You'll need it in an emergency and for important ship-to-ship communications.

VHF Marine radios provide boaters the best and most reliable communication on the water. Marine radios have many advantages over cell phones, especially in an emergency. Learn about the digital selective calling (DSC) rescue feature as well as everyday uses such as to secure a marina slip, call for bridge openings and much more.

You will learn:

- How VHF's work & their controls
- Using the correct channels
- Correct procedures & terminology
- Advanced methods of communication
- How Digital Selective Calling (DSC) equipped radios works and controls that simplifies and improves rescue

To Register:

Email Kelly Hasslinger at pspsed@gmail.com or give her a call at 551-427-0585.

Deadline for registration is September 19th.
