

# Vessel Safety Check Event

The Cypress Landing Yacht Club is ready to kick off the boating season by offering **Free Vessel Safety Checks** conducted by the Pamlico Sail & Power Squadron for all boaters.

**Date: Saturday, April 20, 2019**  
**Time: 9:00 AM to 12:00 Noon**  
**Location: Cypress Landing Marina**

**Sign up in the Marina Office for your VSC & indicate a specific time if needed.**

**Who** should be interested in an inspection that will help make them a safer boater? **Everyone**.....power boats, sailboats, pontoons, personal water craft, kayaks and fishing boats. It takes only 20 minutes for the review!

A **Vessel Safety Check** is a voluntary, courtesy examination of your boat (Vessel) to verify the presence and condition of certain Safety Equipment required by State and Federal regulations. The PSPS Vessel Examiner is a trained specialist who will make certain recommendations and discuss safety issues that will make you a safer boater. Vessels that pass will be able to display the distinctive VSC decal. This does not exempt you from law enforcement boarding, but you will be prepared to make any boarding a positive encounter.

The various areas that will be covered during your **Free Vessel Safety Check** are:
