

2025 CHESAPEAKE CRUISE - APRIL 11 to APRIL 24

Interested in cruising the Chesapeake?

Initially, the current plan is to leave home port early April 11th with the first three stops planned for the following destinations. After that it's a "plan a day or two ahead". We can collectively consider some flexibility that may allow for a couple nights if we like or adjusting for weather compromises should that be needed.

First three ports:

- Dowry Creek Marina, Belhaven, NC – 38 nautical miles
- Coinjock Marina (famous prime rib), Coinjock, NC – 72 nautical miles
- Smithfield Station Marina, Smithfield Station, VA - 64 nautical miles

We have three boats confirmed at this point. You might be interested in all or just a portion of the cruise. Jump on board and help plan the balance of the cruise as we explore the Chesapeake!

A note to car riders! A road trip to one or several of these destinations would be interesting and catching up with the cruisers adding to a fun trip. Or possibly ride on one of the boats during the day and secure lodging at the destination.

Join us as we continue to work on the balance of our plan. Contact Mike Karlovich at boatingactivities@pspsnc.com or text/call him at 919-810-6259 to join the group for all or part of the cruise. Let's exchange ideas, we are interested in adding to the overall plan with favorite ports that you are familiar with or that you have an interest in visiting.
