

**LET'S CRUISE TO OCRACOKE
AUGUST 18 – 21, 2024**

We have two boats on board and hopefully others will join us for a summer visit to beaches and all that Ocracoke Island offers.

Call the Anchorage Marina at 252-928-6661 for your slip reservation. Marina Manager currently has many slips available at this time, but be sure to lock in your slip.

The plan is coming together.....

- Think about hitch a ride with one of the boats for a cruise and reserve a room in Ocracoke.**
- Still others may want to come by car via ferry to join with the cruisers for the day or reserve a room for a night or two.**

We can plan a group dinner or cocktail gathering once we learn who all will be attending and suggestions can be gathered.

Interested? Text Walt Morrissey at 252-833-9060 or Bob Vecchi at 518-703-4881 if you want to join us or have any questions.
