**A Fall Cruise to Dowry Creek Marina  
September 27 – September 29**

Website: <https://www.dowrycreekmarina.com>

Let's hope for a couple of days of Carolina blue skies. A few boats interested, consider joining the group and enjoy a couple nights at a favorite destination. Mike has confirmed the Marina is open for those dates. Don't want to stay over, just come for the day!

Dowry Creek Marina offers low priced fuel, in-slip pumpout, propane grills, enjoy their terrific pool gathering area, their restaurant, The Salty Crab, and the most comfortable Captain's Lounge on the ICW.

Road Trippers...this is an easy destination for a drive to Belhaven to catch up with the boaters. Hope to see you there!
